

Big or Small.. Moser Baer has it all!

Moser Baer gives you media for all your requirements

DVD-R Mini (8cm)

If you feel CDs are too small and DVDs are too large, Moser Baer offers you mini DVDR's. Moser Baer's mini DVDs, give you 1.4GB or 30 minutes of video of storage capacity on a disc that fits in the palm of your hand.

That's the equivalent of two standard CDs!

These pocket-sized discs also come with Inkjet White/Silver coating and Aqua Shield for absolutely amazing prints.

CDR Mini (8cm)

Moser Baer's Mini CDR offers a compact solution for delivering small content on a smaller disc. Although they are only three inches across, Moser Baer's mini CDR still packs a punch. Moser Baer's Mini CDR stores up to 210 MB of content, giving you plenty of space for data, audio, short videos, presentations, product catalogues, company brochures and more.

Moser Baer's Mini CDR can be coated with inkjet finish to deliver stunning visuals after printing.
